A medium wheelbase vehicle (L2 H2) with air conditioning and automatic gearbox. It is fitted with Mercedes Sat Nav with electric windows and mirrors. The body has had the side door removed and replaced with a plug door to reduce temperature loss. The body and the doors are fully insulated to 80mm. Non-slip floor with two

lengths of load lock running the length of the body. Plastic curtains have been fitted to the doors to reduce temperature loss when unloading. The interior has Led lighting and all loading doors are electronically locked when leaving the vehicle. All loading doors are fitted with a warning system in the cab to inform the driver if they are open. The vehicle is fitted with a Carrier Xarios 350 Multi Temp Unit with dual evaporators mounted at the front and rear of the loading area. There is a data cold 600 fitted which will give a journey temperature print out. There is a bulkhead door to partition the rear load space and the refrigeration system can be programmed to give temperature alerts. The refrigeration system is capable of a temperature range of -20 to +25 and so covers Frozen, chill, and ambient. The body has been built to meet ATP standards. There is a telematic system fitted to the refrigeration system which enables temperature tracking and alerts to the home site. We provide the UK's best value handpicked vans and cars. Our prices are checked and confirmed weekly. Every vehicle is independently inspected by the AA, test-driven for at least 5 miles, and only when they approve the vehicle it is offered for sale. Finance, leasing, PCP & Contract Hire are all available. Great selection of stock, part exchange welcome. All our vehicles are ready to be delivered with 48 hours money-back guarantee. Open 7 days a week. *This vehicle may or may not have two keys, please confirm this with the sales crew. Our Customer Care Pack & Owners program comes on all vehicles for the value price of £199 (RRP £572) giving you total confidence and peace of mind.
